

Success Starts Here!

Stanislaus County Occupational Olympics and Career Exposition

January 6, 2010

Dear Exhibitor:

The Stanislaus County Occupational Olympics and Career Exposition will be held at the Fairgrounds in Turlock on Wednesday, March 24, 2010. Sponsoring this event from Stanislaus County is: Office of Education, Fairgrounds and the various school districts. The participants will be high school students from within the county.

We want to expose students to a variety of job opportunities in our local area and invite you to participate in our Career Exposition. The involvement of your organization will inform high school students about employment opportunities and the training required to be successful in your industry. Exhibitors who are recruiting for vacant positions may hand out applications and announce any positions that may become available in their organization. Don't forget many of our seniors will be preparing for their job search and will be graduating in June!

The Career Exposition and the Occupational Olympics run concurrently from 9:30 - 11:30. The students will visit the Expo booths before and after their competition. We encourage exhibitors to include live demonstrations, "hands-on" activities and information that include levels of education and skills needed to attain entry level positions within your company. To persuade students to visit the exhibitors, we are holding a raffle. Students will be completing a questionnaire made from questions submitted by exhibitors. (See the enclosed form.) If your organization would like to participate in the raffle, please bring your item(s) to the "Registration" table on the morning of the event.

In order to continue what has become the largest annual educational activity in the county, we are charging a **\$35.00 registration** and set-up fee (this cost includes a draped 6'x8' booth, 8' long table, chairs, electricity and two (2) continental breakfasts.

* Additional continental breakfasts may be ordered for a fee of \$5.00 each.

Registration deadline: No later than, Friday, February 19, 2010.

Submit to:

Janine S. Cessna
Modesto City Schools
1017 Reno Avenue, Bldg. B
Modesto, CA 95351

Checks made payable to: Stanislaus County Office of Education-OOCE

We hope you can join us for this exciting event.

Sincerely,

Janine S. Cessna
